

Gary Renard Bio

Gary R. Renard is the best-selling author of *The Disappearance of the Universe*, *Your Immortal Reality*, *Love Has Forgotten No One*, and the newly released *The Lifetimes When Jesus and Buddha Knew Each Other*. He was born on the historic North Shore of Massachusetts. During the harmonic convergence of 1987, he heard a calling and began to take his life in a spiritual direction. At the beginning of the 1990's, he moved to Maine, where he underwent a powerful spiritual awakening. As instructed, he slowly and carefully wrote *Disappearance* over a period of nine years. His books are now in 22 languages and growing. Combining a disarming sense of humor with radical, cutting-edge metaphysical information and experiential exercises, this acclaimed teacher of *A Course in Miracles* has been described as one of the most interesting and courageous spiritual speakers in the world.

Join renowned author Gary Renard in a deep discussion about “Healing and Wholeness”

Description: To heal is to make whole. In order to do this there must be an understanding of what helps us to remember our wholeness. Methods will be discussed on how to see with spiritual sight, applying true forgiveness, and shifting your perceptions of what you see now, which all leads to being whole. The practical ideas you will learn from this workshop will help you to live each day with peace instead of conflict, joy instead of pain, and forgiveness instead of judgments. Although the world is a dream, as you practice shifting your perception, you will experience what *A Course in Miracles* calls a happy dream, which precedes our awakening in God.
